

Anxiety Treatment Edmonton

Anxiety Treatment Edmonton - BioGenesis is an ancient technology which is millions of years old. It has not been on Earth since the existence of Pre-deluvian civilizations. BioGenesis was reintroduced during 1999 by an ascended master with the intention to make life much better. BioGenesis is a type of treatment that includes using glass tools that have been instilled with spiritual energy. The glass tools work by radiating that energy into their environments. Although each tool uses the same energy, the design of the tools is what determines how the energy must be utilized.

Of the several BioGenesis Tools, the BioOscillator, the Biotranslator and the BioAmplifier are the more common. These tools could aid people bring the emotions, body and mind back into perfect harmony within anybody's existence, house or work place. The glass tools have been instilled with the remembrance of the Process of Creation. That glass then re-educates or radiates its environment with the memory of the Process of Creation. Once the memory of this process has been restored inside a person or a thing, a living system is formed and it becomes living matter.

BioGenesis strives to help you attain harmony and balance in your home, manifest your life objectives and restore your vitality and your health. BioGenesis tools are able to restore harmony to all aspects of your being by making use of the Light of Creation. These simple glass tools can have a positive effect and help to restore energy and health to someone going through a variety of physical situations, mental and spiritual clarity, as well as emotional harmony and happiness.

What Takes Place in a BioGenesis Session?

Sessions that make use of specific BioGenesis energy tools above the body can help promote greater health, harmony and balance. Participants have reported that sessions are extremely restorative and very relaxing. The BioGenesis tools radiate the Genesis Energy to your mind, body and spirit. The session begins with stating a simple statement of desire or an objective. This objective is set with the massage therapist holding two of the BioGenesis tools a couple of inches over you. These tools are the BioAmplifier and the Biotranslator. Using these tools, the massage therapist and you then focus on your desire and make your call for help to be able to achieve the desire.
